Independent Investment Advisors has been selected for 2022 Best of Portland Award in the Financial Planner category by the Portland Award Program.”

Portland Awards Program

Each year, the Portland Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small businesses through service to their customers and our community. These exceptional companies help make the Portland area a great place to live, work, and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2022 Portland Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Portland Award Program and data provided by third parties.
