

# J Gonzalez Construction Constructs Custom & Designer Patios in Annapolis

*J Gonzalez Construction is a leading service provider of paver patio construction and installation in Anna Arundel and nearby counties in Maryland.*

GLEN BURNIE, MD, UNITED STATES, January 27, 2023 /EINPresswire.com/ -- Each house is different so does its patio construction requirements. Some homeowners want an affordable patio or outdoor kitchen, while many prefer custom design and patio installation. Once installed, pavers, patios, and walkways improve a residential property's curb appeal and aesthetics. These outdoor installations are available in various designs, materials, colors, and patterns to provide a beautiful hardscaping design outdoors. However, the end results depend on the quality and experience of [Annapolis patio contractors](#). The good news is that Annapolis and nearby cities in Maryland have a few professional companies, like J Gonzalez Construction, specializing in patio and outdoor construction and installation.

“

I hired J Gonzalez Construction to build a Patio with a Firepit and Sitting Wall. They did an excellent job. It was professionally done and fits all my expectations.”

*Chris Kojack*

Whether in the county seat of Anna Arundel or the quiet suburb of Annapolis Neck, Maryland, in the middle of the Atlantic is a beautiful place to call home. Most homeowners enjoy hosting backyard parties and get-together activities with family and friends. In addition, many residential properties have outdoor kitchens, designer patios, and fireplaces for partying and enjoying outdoor activities. One of the most attractive installations in these properties is a paver patio. These designer patios enhance the beauty and texture of the front yard and

provide an inviting outdoor space for hosting BBQs, celebrations, birthdays, and more. Thanks to a few experienced [Annapolis Neck Patio Contractors](#), homeowners don't have to search and spend time when planning to update or install a new designer patio or outdoor kitchen in their residential properties. For example, one of the trusted Annapolis Patio Contractors, J Gonzalez Construction, provides elegant and durable patio constructions that last 25 years or more. In addition, its experienced masonries and technicians provide quality stone in various colors, blends, and patterns for hardscaping design and patio installation.

"I hired J Gonzalez Construction to build a Patio with a Firepit and Sitting Wall. They did an excellent job. It was professionally done and fits all my expectations. I would absolutely suggest hiring them for all your construction needs." - Chris Kojack

Whether searching for [Arden On the Severn patio contractors](#) or Annapolis construction companies for new outdoor installation, hiring a professional service with the proper licensing and insurance needed to carry out professional patio contractor services is essential. Because a professional will have access to the best materials and techniques to ensure water drainage, prep the area before installation, and outdoor design installations expected by customers. In addition, expert builders can build and install anything from a stone pool deck to an outdoor kitchen complete with a fireplace, a pond made of natural stone, retaining and garden walls, paver steps, and more. As a result, many Annapolis residents usually prefer a company with an excellent track record, comprehensive services, skilled technicians, and a customer-friendly approach. One company trusted by many homeowners in Annapolis, Arden On the Severn, and Annapolis Neck in Anna Arundel County is J Gonzalez Construction, which provides insured and certified technicians for paver patios, pool decks, and other outdoor construction.

### About J Gonzalez Construction

J Gonzalez Construction is a licensed and insured construction company that designs elegant patio installations in Anna Arundel county. Its experienced technicians have the knowledge and skills to meet various outdoor constructions, including paver patios, pool decks, sidewalks, steps, natural and veneer stone work, and retaining and garden walls. Then, to finish the hardscaping design, they provide a variety of design alternatives, the highest quality stone in a wide range of colors, mixes, and patterns, and a warranty on their work.
