

# Harris Institute's Unmatched Performance Record

TORONTO, ON, CANADA, January 21, 2023 /EINPresswire.com/ -- "[Harris Institute](#) may be the best performing post-secondary school anywhere," says the college's president John Harris.

The Key Performance Indicator (KPI) for 'Graduate Employment Rate in The Field of Study' from Forum Research and the Ministry of Colleges and Universities indicated Harris Institute achieved 90.91%. The KPI for 'Student Loan Default Rates' indicates Harris Institute has achieved five annual 0%

Default Rates. Less than 1% of all schools in North America have achieved a 0% Default Rate. The college's Arts Management Program has achieved nine 0% Default Rates and the Audio Production Program has achieved seven. Low Default Rates indicate high employment rates and that graduates value the education they received.

waived. Students who graduate from both of Harris Institute's programs are eligible for partial scholarships to earn Master's Degrees at UWS in Sound Production, Songwriting or Music Industry.

Harris Institute delivered six annual 'Peace and Reconciliation' programs for twenty young adults from conflicted areas in the North and South of Ireland funded by the International Fund for Ireland. The college partnered in an experimental program with the Moscow International Film School for students from Siberia and the Salmon Arm Reserve in BC. International students have come from 142 countries since 1989.

"It is unlikely any other college, university or private college has achieved these performance results," says Harris. "We are thrilled and all credit goes to our remarkable faculty."
