Shrabonee Paul - Neuworldz

In 2023, [Shrabonee Paul](#) announced that the programs will move from virtual to in-person interviews and hybrid events supported with far more media engagement to boost widespread visibility. To their clients it sounds like more opportunities to build their brand visibility and scale growth.

The company seems all charged up to help their clients get popular and prosperous, as they build their wide online visibility and brand reputation with impactful content.

Does that mean that the clientele will now go beyond businesses and flow into events, entertainment and other arenas that will get the excitement soaring? That is still an excitement yet to be revealed.

Neuworldz founder - CEO Shrabonee Paul who is a well-known and successful organizational development specialist with 17 years strong career in organizational effectiveness and business

transformations, shared that the 2020 pandemic saw the need of external visibility creation for clients for sustainability. When the global pandemic happened forcing businesses to change their modus operandi almost overnight, they needed to build online visibility to attract clients. Businesses were struggling to adopt to the new normal virtual work set ups, and stay afloat amongst competition when they were compelled to go online. The challenges were more critical for small and medium sized localized businesses. Her years of experience and expertise coupled with the solution finding mindset helped her align business branding and organizational behavior to enable clients discover growth scalability, combining creativity and technology through smart sustainable solutions.

Neuworldz uniqueness lies in its deep dive approach it takes to help clients grow their business with people, process or platform optimization to enable internal value creation, and also supporting it with strategic external communications and branding tools. Supported with widespread media press releases and increased online visibility, businesses have seen immense value in the services this company brings in. The need of internal business transformations and external business branding was a challenge that Neuworldz was able to address for its clients. During the pandemic, Paul started a series of virtual programs, hosting interviews and webinars with industry stalwarts and celebrities which garnered attention worldwide for its meaningful content, insightful conversations and attractive visuals. The program saw a good flow of organic viewership across the world and also the presence of several blue -tick celebrities on the guest panels across geographies.

2023, is surely going to be exciting to see the new guests and industry stalwarts who will be appearing on Neuworldz celebrated program Inspirations and Aspirations which earned very positive reputation by honouring 20 professionals across the globe for their industry impacts. When asked about which industries Neuworldz is keen to feature this year, Shrabonee Paul expressed desire to see more varied and globally aspiring industry leaders as new additions to the list of recognition and guests on her programs.
