

# Children's Videos Bring Eggs to Life

Now appearing on the Michigan Learning Channel (an affiliate of PBS), *The Good Eggs Video Series* is helping children feel valued.

STERLING HEIGHTS, MICHIGAN,  
UNITED STATES, January 23, 2023

[/EINPresswire.com/](https://EINPresswire.com/) -- [Sandy](#)

[Ciaramitaro](#), author of [The Good Eggs](#),

has developed an innovative and relatable book series which teaches children the important concepts of virtues, diversity, and service. The first book in the series, *The Good Eggs*, is now available on-demand in 12 video episodes on the [Michigan Learning Channel's](#) website.

Seggourney, Reggie, Megg, and Gregory are The Good Eggs. This group displays virtues within their community such as understanding, forgiveness, gratitude, generosity, cooperation, love, acceptance, respect, responsibility, honesty, confidence, and manners. Challenges occur when two new Eggs come to town, Benedict and Peggy, but the Eggs always remember that a cracked Egg should be handled with care.

“

The Good Eggs video series connects kids' heads with their hearts as they learn about goodness and kindness toward others.”

*Sandy Ciaramitaro*

The Good Eggs video series provides fun, educational, and thoughtful content for children. In our fast-paced, stressful,

and often chaotic world, this SEL series provides kids a respite that will take them to a place of safety and gentleness, enabling them to develop their own self-esteem and character, along with positive relationships with others. This social emotional learning series is appropriate for children ages 5-12.
