*A side A Sense of Equilibrium Amidst Turmoil by Zachary Royal*

ABINGTON, MASSACHUSETTS, UNITED STATES, January 23, 2023 /EINPresswire.com/ -- A side A Sense of Equilibrium Amidst Turmoil

Zachary Royal has a knack in telling humorous stories that usually involves his grim sense of humor. His form of writing often utilizes a wild interpretation of people he has come across in life. Aside from being a writer, he often has a soft spot for animals. He is currently employed at a pet shop and as a naturalist himself, he does, however, expect to uncover substantial means to help the environment.

The book portrays two characters, Scremo, and Jewbert, who are alien puppets. They enter into the puppet world with the aim of protecting the human race against the disgusting Zodiac Killer. The book contains wonderful materials in between the covers. A surprise that awaits in every flip of the pages.

Zachary's approach is different and interesting. His drive captivates his readers to the point where they would be taken away by his creativity and serve them with commendable satisfaction.
