*A Dime For a Kill BY GARY SMITH*

MURAGLIO, ITALY, EUROPE, January 22, 2023 /EINPresswire.com/ -- A Dime For a Kill

Gary Smith stirs up a descriptive narrative with a taste of suspense into his novel. He would often use words and phrases that were conventional into his work and as a consequence, it gives the readers a new and different perspective that will change their lives.

[My Life My Choice](#) centers around the character of Warren, a man whose principles are being tested. Warren is intertwined with a mystery yet to be discovered of a missing member of an Italian crime family. Asserting into a terrorist plot that threatened innocent lives or sacrificing oneself to save a former love interest are Warren's tough choices. Should he weigh the consequences of these choices, or should it resolve in his favor?

Gary Smith's primary goal is to observe people and their personal reactions towards a certain circumstance. He wanted to draw his reader's attention while implanting them the desire to interact with one another. By seeing the reader's response, Gary understood what actions needed to be taken into account. For this reason, he was prompted to write more.

Gary Smith has also written other books in this series, *Undomesticated: She Had No Remorse* (Warren Steelgrave Book 3), and *Vengeance Can Be Deadly* (Warren Steel Book 5). For more information, you can check his works on Amazon.
