

HRBlade launched video interviewing software with AI to help companies hire faster

HRBlade launched video interviewing software v3.0. The new version included AI and Assessments that help companies hire 5x faster and save up to 80% budget.

NEW YORK, NY, UNITED STATES,
January 23, 2023 /EINPresswire.com/ --
[HRBlade](#) is a [video interviewing software](#) and end-to-end digital hiring platform with AI and assessments that automates the hiring process and candidate testing that help companies to reduce cost of hiring and hire faster.

HRBlade Video Interviewing Software

HRBlade launched a major v3.0 update. In the new version, AI assistant will help to set the score to candidate according to his video answers. Virtual video-recruiter talking-head will make on-demand interviews more attractive and interactive.

Save money and reduce time to hire with video interviewing software HRBlade"
