

Peace Envoy Kieran Upadrasta Strives to Achieve Peace and Fundamental Human Rights

Kieran Upadrasta has emerged as an angel in disguise for millions of people across the globe

UK & NORWAY, January 24, 2023 /EINPresswire.com/

-- By providing the ray of hope, Kieran Upadrasta founded a cancer research trust that offers research services for cancer prevention, diagnosis and treatment. The trust supports scientists, doctors and nurses and provides relevant information and services.

The trust helps families who get through frightening times to save their lives. It helps the individuals to live up to their dreams. In addition, the trust also focuses on providing emotional support to cancer patients and their family. The trust and all the working staff help the cancer patients deal with the disease. The trust also built a cancer research institute as well.

"The wish for healing has always been half of health." Lucius Annaeus Seneca

Kieran Upadrasta emerges as a social activist, striving to provide fundamental human rights through his non violent struggles. By providing lifelong services to the poorest of the poor, Kieran Upadrasta became "an icon of Compassion and Generosity" to people of all religions, and none. The [charity services](#) bring hopes and dreams and touch so many lives. His inspirational [charity group](#) have dedicated their life entirely to the welfare of the destitute.

"Sometimes it takes only one act of kindness and caring to change a person's life." Jackie Chan.

By focusing on safeguarding the freedom of expression as he believes that freedom of expression is a precondition for democracy and lasting peace. He gives the significance of civil society for peace and democratic efforts to combat hunger and all the efforts to achieve peace and international cooperation. Through his social services, gives selfless commitment to educating the poor and feeding the homeless.

The extraordinary and inspirational efforts strengthen international diplomacy and cooperation between people that gives a huge contribution massively towards peace, equity, and internationalization.

"Love and compassion are necessities, not luxuries. Without them, humanity cannot survive. Our prime purpose in this life is to help others. And if you can't help them, at least don't hurt them." - Dalai Lama

Long story short, his life is that anybody doesn't need to be rich with money to be generous, only with adoration and a sense of care, humankind, peace, and equity.
