

nandbox Accepted into Forbes Communications Council

nandbox, the creator of the Native App Builder, the only native mobile app builder in the market, has been accepted into Forbes Communications Council.

KANATA, ONTARIO, CANADA, January 23, 2023 /EINPresswire.com/ -- [nandbox](#), the creator of the Native App Builder, the only native mobile app builder in the market, has been accepted into Forbes Communications Council, an invitation-only community for executives in communications, marketing, and public relations.

Omar El Bahr was vetted and selected by a review committee based on the depth and diversity of his experience. Criteria for acceptance include a track record of successfully impacting business growth metrics, as well as personal and professional achievements and honors.

“

I'm very excited to join Forbes Councils, and I'm eagerly looking forward to sharing my insights about no-code app building and to position nandbox as the leader in no-code app development.”

Omar El Bahr

“We are honored to welcome Omar into the community,” said Scott Gerber, founder of Forbes Councils, the collective that includes Forbes Communications Council. “Our mission with Forbes Councils is to bring together proven leaders from every industry, creating a curated, social capital-driven network that helps every member grow professionally and make an even greater impact on the business world.”

As an accepted member of the Council, Omar has access to a variety of exclusive opportunities designed to help him reach peak professional influence. He will connect and collaborate with other respected local leaders in a private forum. Omar will also be invited to work with a professional editorial team to share his expert insights in original business articles on Forbes.com, and to contribute to published Q&A panels alongside other experts.

Finally, Omar will benefit from exclusive access to vetted business service partners, membership-branded marketing collateral, and the high-touch support of the Forbes Councils member concierge team.

"I'm very excited to join Forbes Councils, and I'm eagerly looking forward to sharing my insights about no-code app building and to position nandbox as the leader in no-code app development" commented Omar El Bahr upon his acceptance.

ABOUT FORBES COUNCILS

Forbes Councils is a collective of invitation-only communities created in partnership with Forbes and the expert community builders who founded Young Entrepreneur Council (YEC). In Forbes Councils, exceptional business owners and leaders come together with the people and resources that can help them thrive.

ABOUT NANDBOX

nandbox, the creator of the Native App Builder, the only native mobile app builder in the market, is a native no-code mobile app-building SaaS company that enables anyone to build mobile apps using its app builder platform. Neither hosting nor coding knowledge is required. Native, hosted-ready mobile apps for Android and iOS are what nandbox users create with a simple drag-and-drop approach. The nandbox app builder comprises a myriad of features to meet all needs of individuals, communities, and businesses. Ranging from messaging apps with audio and video calling capabilities to E-commerce apps, or a mix of both. Empowered with an extensive, cloud-based microservices infrastructure, nandbox holds multiple patents for high-performance capabilities, scalability, and reliability of 99.999% uptime.
