UNITED STATES, January 23, 2023

[/EINPresswire.com/](https://EINPresswire.com/) -- The Short Screenplay Her Name, Mercy is the winner of the prestigious Las Vegas-based Film Festival Vegas Movie Awards™ for Best Short Script, Award of Excellence & Best Original Story, Award of Excellence.

Her Name, Mercy tells the story of Owen Ramsay who finds himself in the care of an accused witch during the 1600's, a time of rampant claims of witchcraft and sorcery. Through a simple act of kindness, Owen comes to realize that this particular indictment may not be as clear cut as he was led to believe.

Her Name, Mercy was written by Justin Moodie.

Justin is a self-taught Award Winning Screenwriter who since entering his first competition in early 2021, has received recognition and placed highly at various national and internationally recognized film festivals including Academy Awards®, BAFTA® & Canadian Screen Awards Qualifying Festivals. This is Justin Moodie's statement after this important achievement:

"I am deeply grateful for the care that Vegas Movie Awards puts in their festival, as well as the artists that submit to it. Quentin Tarantino said, "If a million people see my movie, I hope they see a million different movies." That's a beautiful and terrifying reality that not only writers but we as filmmakers live with. Not everyone will see your work nor appreciate it the way you most likely do. In that spirit I want to thank the judging staff and festival team for seeing the story, the vision and the special nature of Her Name, Mercy. There is a real and readily accessible magic in kindness that if we take time to try to, we can see. I couldn't be more grateful for the cinematic language to be able to convey in some way those messages and moments."
