Joe Malvasio, president of Global Capital Partners Fund, LLC

"At Global Capital Partners, we understand that each borrower has unique needs and

requirements. We take the time to get to know our clients, their situations, and their goals so that we can provide them with a loan package tailored specifically for them. Our team is highly experienced in all facets of commercial real estate financing, allowing us to give our clients the best possible solution for their specific circumstances. Additionally, our quick processing times and attention to detail ensure that we are able to close on loans quickly and efficiently. As a result, we have become one of the most dependable private lenders in the country."

Joe Malvasio went on to speak about the success of Global Capital Partners Fund, LLC, and how they have positively affected their clients: "The success of Global Capital Partners has been incredible. We have funded over \$2.5 billion in transactions, providing flexible financing options tailored to meet all of our clients' needs. Our dedication to client service and quick loan closings has made us one of the most dependable private lenders in the country. We take the time to get to know our clients and develop a customized loan package that best meets their individual needs and goals. As a result, we've helped many clients realize their dreams by providing them with fast access to financing for projects ranging from land development to equipment loans. I am incredibly proud of what we've achieved at Global Capital Partners so far, but there is still much more work ahead of us as we continue to provide reliable financing solutions for our clients throughout 2023 and beyond."

Mr. Malvasio explained the process of applying for a loan through GCP Fund LLC and how they differ from other companies with loan processing. He also discussed some of the unique and complex transactions that Global Capital Partners has been a part of. Concerning their plans for future growth and expansion, Mr. Malvasio said, "We're always looking for ways to grow and expand our business. We're constantly seeking out new partnerships and opportunities to provide our clients with even more financing options. We're always on the lookout for new and innovative ways to help our clients achieve their goals. We are excited to continue expanding Global Capital Partners and making ourselves available to more clients. In the coming months, we plan to strengthen our presence in the U.S. and expand internationally. We also want to develop a number of products beyond our current loan offerings for developers and business owners looking for additional ways to secure their long-term financial success. Ultimately, it is our goal to make ourselves more accessible than ever before so that everyone can take advantage of what Global Capital Partners has to offer them."

To round out the interview, Joe Malvasio talked about Global Capital Partners' means for ensuring a high level of client satisfaction as well as some notable partnerships and collaborations they are a part of. Lastly, he described what a typical day looks like for him as the president of Global Capital Partners Fund, LLC: "As the President of Global Capital Partners, my role is to oversee the day-to-day operations of the company and ensure that we are providing our clients with the best possible service. I work closely with our team to identify new opportunities and to implement strategies that will help us to continue to grow and succeed. A typical day for me includes meetings with clients, working with our team to underwrite and structure loans, and reviewing and analyzing market trends."
