

Minsait ACS Continues Their Commitment to Clean Energy with the Release of a Complimentary Webinar

This webinar is for anyone who wants to learn more about SmartEC and how it can improve efficiency and reduce cost.

ATLANTA, GA, UNITED STATES, January 24, 2023 /EINPresswire.com/ -- [Minsait ACS](#) is proud to announce that they will be hosting a complimentary webinar on electrical design automation. This webinar is designed to help attendees understand how utilities have streamlined the electrical design process and automated 80% of new connection requests, reduced costs and improved customer service.

“[SmartEC](#)” can support designers to automate the electrical design layout of new utility services. Throughout the webinar, attendees will learn how automation is used to:
Eliminate manual processes that waste time and money.

Reduce human error.

Improve electrical design .

The webinar will be held on January 31, 2023, from 2:30 pm to 3:30 pm ET.

This webinar is part of a series of events that Minsait ACS is hosting in support of its mission to help companies transition toward cleaner energy sources. It is also part of the company’s ongoing commitment to promoting sustainability through education, innovation, and collaboration with industry partners.
