

Capitalize Analytics Named Alteryx 2022 Global Partner of the Year

Capitalize Analytics Recognized for Driving Business Outcomes Through Self-Service Analytics Automation

DALLAS, TEXAS, UNITED STATES, January 24, 2023 /EINPresswire.com/ -- [Capitalize Analytics](#) was recently named 2022 Global Partner of the Year by [Alteryx, Inc.](#), the Analytics Automation company. The annual Alteryx Partner Awards recognize its partners' outstanding commitment to helping organizations democratize analytics and drive business outcomes through data-driven insights.

“

The Global Partner of the Year award is a testament to Capitalize Analytics' ability to deliver breakthrough outcomes with analytics automation.”

Barb Huelskamp, Senior Vice President of Global Partners and Alliances

“Our partners bring subject matter expertise and deep industry knowledge that is invaluable to Alteryx,” said Barb Huelskamp, Senior Vice President of Global Partners and Alliances at Alteryx. “The Global Partner of the Year award is a testament to [Capitalize Analytics' ability to deliver](#) breakthrough outcomes with analytics automation. We are honored to work and collaborate with them as we continue to march towards the shared goal of analytics democratization.”

The Global Partner of the Year award honors exceptional partners who understand the challenges businesses face as they become data-driven as well as their significant contribution to the success and growth of Alteryx over the past year, providing customers with impactful experiences through data insights.

“We're delighted to have been recognized as the 2022 Alteryx Global Partner of the Year!” states Eric Soden, Managing Partner. “We couldn't be prouder of our team, our partnership, and the clients we were able to help realize the value of analytics and automation this year.”

About Capitalize Analytics
