[Unusual Digital](#) has introduced its [website design for coaches package](#) at a price of only \$199 for a one-page microsite. Coaches who are looking for full-fledged, feature-rich, SEO-Ready websites can get it for \$1100.

Leadership coach & storyteller, Greg Chapman shares his experience with Unusual Team, "The strategists in the team had a lot of clarity not just about the mechanics of putting up a website - but also what will work and what will convert into money! UnusualDigital team's turnaround time has been super and relevant. I was looking for a

minimalistic and professional website yet wanted it to bring out the richness of the offerings provided - The team has been very apt in establishing this balance."

Aditya Shrivastava, the co-founder & advertising strategist, explains how their service is operating:

"To make it a successful launch, the quality of our work, website's performance, and timely

delivery is our prime concern. We won't give away our secret on how we create profitable websites with a money-back guarantee but it is something the web design industry hasn't seen before," says Mr. Shrivastava.

Emphasizing Aditya's promise, co-founder of Unusual Digital and digital business coach Sunita Biddu continues, "We plan to offer a wide range of marketing services parallel to our website design so our clients make use of their coaching website as soon as it is ready. SEO, Social media marketing, blog management, and brand management are a few to name for now, and these services will be available at unexpectedly competitive pricing."

The UnusualDigital team is already cherishing an outstanding response to designs completed for the coaches and small business owners, especially when the coaching website design packages are complemented with on-page SEO work done free of cost.
