

Dr. Nkansah's New Book Explores What Makes a Successful Family

Family can take many forms, not just traditional notions

COOKSTOWN, NEW JERSEY, UNITED STATES, January 24, 2023

[/EINPresswire.com/](https://EINPresswire.com/) -- At its core, the family unit greatly affects one's development. Relationships with and among family members lay the foundation of how we interact with people. Nonetheless, the basic elements of the family may not always be constricted to include a father, a mother, and children; it can also be found in the forms of other people within the bigger family unit who help rear the child. This is what Dr. Ebenezer Kyere Nkansah explores in his book entitled [The Secrets of Family Success: Knowing More About Family and Success](#).

For Dr. Nkansah, learning never stops. Already equipped with a Ph.D. in Christian Education of Theology, and a Doctor of Divinity degree at the International Institute of Florida, he is still working towards completing his (MS) Master of Science in Cyber Security at the (UMGC) University of Maryland Global Campus.

Originally from Ghana, he previously worked in sales and theology and set up The Hope of Glory Network Ministries in the state of Maryland. He is not only a teacher, an administrator, and a motivational speaker but he is also a chef, cultural ambassador, philanthropist, and health advocate. His latest passion involves media work.

In this book, he takes his personal experiences of receiving his extended family's love and guidance during his developmental years. He also touches on the importance of the development and strengthening of different types of relationships, maintaining a healthy lifestyle, and exhibiting civility in interpersonal interactions. At the center of his book is the exploration of God's presence in family life and how to seek a lasting relationship with Him.

Truly a book that will help relational and generational concerns of anyone, *The Secrets of Family Success* is out now. Get a copy today at bookstores near you!

About The Reading Glass Books

The Reading Glass Books is your local bookstore with a heart and now an emerging self-publishing house. We believe that each book is an experience, and we take that into heart as we celebrate both writers and readers manifested on our bookshelves—becoming part of everyone's reading journey since 2020.
