"Most refreshing book I have read in a while."

The Unloved Boy by Sharique Zea follows an orphan as he tries to navigate his difficult life. Jason, the protagonist of the book, suffers abuse at the hands of his step-family and falls victim to trauma and PTSD. As the world around him reveals more of its secrets, Jason has to make sure that he does not let his past experiences get the better of him. Friendship and wonder reign in Sharique Zea's new book as he writes about what it takes to overcome trauma and find valuable relationships in dark times.

With a fantastical backdrop overseeing the unfolding of complex issues like trauma and PTSD, Sharique's book offers a unique perspective on how trauma affects an individual's relationships, not only with themselves but also with the people around them. Jason's character has to overcome a lot of obstacles in order to feel confident and the book provides a beautiful perspective on how he achieves this. By using fantasy to make his world more alive, Sharique Zea crafts the perfect narrative, one which is comprehensive in its exploration of difficult topics but is also a reminder of hope and inspiration.

The Unloved Boy has something to offer everyone. It is a thrilling read for adventure-seeking readers and a motivational read for those who are struggling in life. The book is bound to impress and inspire anyone who picks it up.
