

Helene Horn Figman Launches Enhanced Workplace Awareness Training Programs

Website provides a directory and comprehensive description of workplace awareness education programs offered by Attorney Figman

EASTON, MA, USA, January 24, 2023 /EINPresswire.com/ -- Helene Horn Figman, J.D., specializing in employment law and human resources management for small and mid-sized businesses, announces her enhanced Workplace Awareness Training Programs and website, www.workplaceawarenesstraining.com.

“

Workplace Awareness Training reduces the risk of workplace harassment, helps both employees and employers recognize and manage biases, and fosters a company culture of respect for diversity”

Helene Horn Figman

The recently launched website provides a directory and comprehensive description of the workplace awareness education programs offered by Attorney Figman, including Anti-Sexual Harassment & Anti-Discrimination, Manager Education, Individual Employee Tutorial Sessions, Unconscious Bias, Diversity & Inclusion, Internal Investigations, and Employee Policies & Handbooks.

“Ultimately, Workplace Awareness Training reduces the risk of workplace harassment, helps both employees and employers recognize and manage biases, and fosters a [company culture of respect](#) for diversity,” said Figman, who maintains certificates in Human Resources Management Systems, Managing Disability Leave and Absence Issues, and Preventing Discrimination and Sexual Harassment. In addition, she holds credentials in both Mediation and Training, as well as certification in conducting internal investigations of harassment and other complaints. Figman is also a former Administrative Hearings Officer for the Massachusetts Commission Against Discrimination.

Both [in-person and virtual trainings](#) are offered throughout the greater New England areas, and in the state of Arizona. Virtual trainings are available throughout the continental United States.

About Helene Horn Figman and Workplace Awareness Training

An experienced trainer, Figman provides in-person training to sites with only six employees to companies with over 100 employees. Her virtual presentations have been a great resource to employers during these times of remote work. She also addresses business groups and professional organizations.
