

Tender Loving Pawz joins Pet Sitters International

Local pet boarding facility offers a safe environment where your pet will feel at home. Located in Bellville, NJ. A relaxed pet is a happy pet!

BELLEVILLE, NJ, UNITED STATES, January 24, 2023 /EINPresswire.com/ -- With membership in PSI, Tender Loving Pawz has reinforced its dedication to offering professional, quality pet-care services and increasing their knowledge of the pet care industry. Nedjy and Keith Snead and Tender Loving Pawz are available for pet sitting in the Northeast NJ area.

For pet owners, in-home pet sitting provides a unique alternative to boarding facilities—or relying on family or neighbors to check on pets. Pet sitters come to the home daily and animals are able to keep their regular routines for meals, walks, medication and one-on-one care and attention. Owners report that their pets experience less stress and adjust better to their owners' absence when the pets remain in their normal environment.

“

We love animals. We want our potential customers to know that if you choose TLP, we will treat your pet like our own.”

Nedjy Jules-Snead

As a PSI member, The Sneads have access to important business tools and educational resources, including pet-sitter liability insurance, ongoing online training and PSI's annual Pet Sitter World Educational Conference.

According to PSI President Patti Moran, more and more individuals are now advertising pet-sitting services, so it is important for pet owners to ensure they are choosing a

qualified, professional pet sitter.

YOUR PETS ARE IN GOOD PAWS WITH US!

"We encourage pet owners to only use the services of professional pet sitters, and to take advantage of the peace of mind that comes with using an insured and bonded PSI-member pet-sitting business," Moran said.
