The Homeless World Cup is a unique and pioneering tournament that uses football to inspire and demonstrate the power of sport in changing people's lives. Partnering with 70+ Member Countries across the globe, the Homeless World Cup brings a sense of purpose to people who may feel like they've lost theirs and helps inspire them to change their lives.

Being homeless can be incredibly isolating, making people feel removed from society and alone. Joining a football team can be a small but hugely significant step in helping an individual to become part of a community.

The Sacramento 2023 Homeless World Cup will take place from Saturday 8th July – Saturday 15th July 2023 at California State University, Sacramento. As well as the venue for the games, the university will also accommodate the visiting countries from across the globe and their players on campus.
