The Unbranded Board of Directors is comprised of experienced healthcare professionals and business and community leaders with a passion for serving others. CEO and Co-Founder, Courtney Lewis stated, "We are local and state advocates working to help survivors on their path to recovery.

D. Scott Vaughan, CFO and Co-Founder of Unbranded says, "Local leaders see the vital role that Unbranded can play in the healing process for sex and human trafficked survivors. We are here ready to serve and looking to expand Unbranded locally, regionally, and nationally.

One of the first leaders to get on board was First Lady of Louisiana, Donna Edwards.

human trafficking survivors.
