Famed musician Lady Zhe, returns to in person performances after a 3-year hiatus. Audiences can now once again groove to her music in person.

LONG BEACH, CA, UNITED STATES, January 24, 2023 /EINPresswire.com/ -- Famed musician [Lady Zhe](#), today announced her return to in person performances after a 3-year hiatus as a result of the COVID-19 global pandemic. Her multi-city tour will begin in Long Beach, CA in front of a packed audience.

Before the COVID-19 pandemic hit Lady Zhe performed for an international audience. Performing her soul-touching music in several genres including classical, jazz and gospel music, she is once again ready to perform in front of a live audience.

February 11, 2023, Lady Zhe will do just that. She is making her grand return on the first leg of her multi-city tour at [Greater Harvest Church](#) of God in Christ, 1144 Olive Avenue, Long Beach, CA 90813. Tickets are available now at: <https://www.LadyZhe.com>. This concert series is in partnership with the Los Angeles South Chamber of Commerce Hope Foundation, Guillermo Saade of Edward Jones, and The SEO Queen. A portion of the proceeds from this concert will go to support the community building activities of the Hope Foundation and Greater Harvest COGIC. The public is invited to attend this fun event!

With Lady Zhe's unique style of play that lends to any music genre, audiences can now once again groove to her music in person. Although Zoom video concerts have allowed Lady Zhe to remain in front of her audience, it does not compare to the impact she has while performing live.

Lady Zhe is a product of the Long Beach Unified School District, and an alumnus of Long Beach
