About IT Vortex –

IT Vortex is your end-to-end service provider, founded from the mindset of experienced IT engineers, not salespeople. Our years of experience in the IT field contribute to our top-notch services portfolio. ITV maximizes your investment in technology by avoiding the evaluation and proof of concept phases. We have surpassed the trial-and-error stages to construct our industry-leading portfolio of technology vendors and partners.

We only sell the solutions we know and believe in, not sales pitches full of empty promises. ITV is partnered with the leading technology solution vendors like VMWare, EMC, Mitel, Microsoft, and Dell. Our top-notch portfolio of software and hardware vendors empowers your organization to achieve all its goals.
