The Soccer Academy Television Show and The Global Foundation for Peace through Soccer have united to bring reconciliation, peace, and goodwill to various communities around the world. The two entitles—The Soccer Academy and the Global Foundation—have been coordinating in recent years not only to produce an uplifting, cultural, and inspirational television show, but also to host and conduct

soccer camps and clinics around the globe that serve the underprivileged and less fortunate communities in different countries as well. Those soccer camps and clinics are free-of-charge to youth participants.

This past summer, the Global Foundation for Peace through Soccer operated two successful weeks of soccer camps in Marrakech and Safi (in July 2022). The Global Foundation—along with the staff of The Soccer Academy—will return to the cities of Marrakech and Safi in the country of Morocco in March 2023 to conduct two more soccer camps referred to as the “All Girls Soccer Clinics in Morocco.” These soccer clinics are being offered free-of-charge for select female soccer players between the ages of 8 and 15.

The Global Foundation for Peace through Soccer will be operating the “All Girls Soccer Clinics” in conjunction with the United States Embassy in Rabat, Morocco. See this link for a video from last summer’s camp:
