

# Luxury lifestyle brand Pacific Green to Host Welcome to Market Party

*Luxury lifestyle brand Pacific Green to host "Welcome to Market Party", during Las Vegas Market on Sunday, January 29th at 4 pm in space A200.*

LAS VEGAS, NEVADA, UNITED STATES, January 25, 2023 /EINPresswire.com/ -- Luxury lifestyle brand [Pacific Green](#) invites [Las Vegas Market](#) attendees to join them at their "Welcome to Market Party", on Sunday, January 29th from 4:00 - 6:00 pm in their showroom at World Market Center, Bldg A, Space A200.

Pacific Green's marketing and events team shared they are planning for a thrilling atmosphere and pulling out all the stops to create a fun celebration to kick off the new year and to welcome buyers to the opening day of market.

Pacific Green's can't wait to kick off the new year and host buyers on the opening day of Las Vegas Market.

Adding to the party's fun champagne & chocolate theme includes bringing in a special live musical performance from the Las Vegas Jazz Trio and it's members James Apollo, Michael Hoffman, and Eric Runquist - who will play festive big band and jazz hits throughout the evening. The Las Vegas Jazz Trio's performance starts at 4:00 pm in space A200 and will be accompanied by delicious catered desserts and exquisite champagne.

“

Our team is thrilled to host our first welcome party event. We invite everyone to discover our exotic collection and listen to live jazz while sipping on champagne.”

*Eric Dickstein, CEO of Pacific Green*

Eric Dickstein, CEO of Pacific Green shared “Our team is thrilled to host our first welcome party event. We invite everyone to discover our exotic collection and listen to live jazz while sipping on champagne. Our team will also be

walking buyers through our newest introductions of wild seating and lounging concepts."

Dickstein went on to explain, "Las Vegas Market is always the perfect opportunity to show off our entirely innovative approach to hand-crafted, exotic, sustainable furniture that fits as naturally in a lakeside cabin or mountain lodge as a beachside villa or tropical resort. You really have to see it and sit in it to believe it!" The debut of the new collection coincides with this first phase of their showroom remodel now open daily and including over 3,000 square feet located at space A200.

Pacific Green's [new introductions](#) include unique upholstery options and designs that are sure to wow buyers. Pacific Green takes pride in being the point of difference in the industry where furniture meets fashion. Supply leathers and specialty hides - often only seen on apparel and accessories from the premier fashion houses - are frequently sourced in order to create one-of-a-kind furniture experiences for those clients in search of something truly special and incredibly comfortable. In addition to simply manufacturing something that is fashionable, Pacific Green is also known worldwide as the pioneer of the use of palmwood for furniture in order to prevent the deforestation of rainforests. Millions have been invested in R&D to develop the technology that can help save these forests.

Pacific Green is thrilled to host their first welcome party event Sunday, Jan 29th at 4pm, featuring live music by The Last Vegas Jazz Trio. Guests will discover their exotic collection while listen to live jazz while sipping on champagne.

Pacific Green re-imagines exotic, sustainable furniture perfect for spacious lofts, lakeside cabins or mountain lodges.

## About Pacific Green

Pacific Green has manufactured and designed inspirational sustainable furniture for more than 40 years. An exotic luxury collection for residences and resorts alike, their designs are timeless and each frame is carefully handcrafted from superior natural materials with comfort and sustainability in mind. Following a series of research breakthroughs, Pacific Green developed the Palmwood® material forged from reclaimed plantation coconut palms -- exclusively used in all its furniture and a viable substitute to replace rainforest timber in furniture design - which could eliminate mass deforestation. A benchmark for modern manufacturing and social responsibility, Pacific Green operates the world's first factory dedicated to the coconut palm and certified by Rainforest Relief.

Pacific Green luxury designs can be found in all regions of the globe from deserts to mountains, ranch homes to tropical villas, and in the world's largest cities to its most remote archipelagos. Their collections include seating, lounging, dining, bar, occasional, and accent furniture for those who wander, explore, and would travel to the ends of the earth for something truly special. Save the Forests. Use Palmwood. [www.pacificgreen.net](http://www.pacificgreen.net)
