RISE Edutainment has gathered Toronto's top emerging and professional artists at the 9th Annual Edutainment Summit and Showcase; bringing some of the hottest local artists in the GTA to perform alongside special guest headliner Haviah Mighty!

The Annual Summit focuses on The Business of Art, aiming to bridge the gap between emerging and professional artists. The summit will take place this year from January 26th - 28th in one of the city's top performance venues, 918 Bathurst.

RISE uses the edutainment methodology of entertainment to educate. The summit runs for three days and aims to enhance access to resources for underprivileged youth, highlighting "Artrepreneur" workshops, led by industry professionals.

“

We believe art has the power to transform the lives of many youth we often see lost to the system and its streets.”

*Randell Adjei, Ontario Poet Laureate*

These workshops help artists develop entrepreneurial skills; as well as revenue streams; beyond the stage and behind the screens. The summit will close on January 28 with a final showcase of Canada's top-performing artists.

Various Artists include:
