Smalls, who starred in her own daily show on MTV titled, "Girl Get Your Mind Right!" in 2013, is no stranger to retail as she has once owned a very popular store in the Bedford Stuyvesant section of Brooklyn, NY. She is also no stranger to hard work as she has built a six-figure real estate business since her departure from the network.

"I love Real Estate and I love business but most of all I love looking and feeling fabulous and that is what my boutique, Madam Bouge, will do for our customers and future customers," Smalls stated.

Smalls promises that there will be something for everyone at her new boutique as she is adding bold pieces for men and children who she lovingly refers to as "Baby Bouge." She is also adding intricate pieces of clothing and a shoe closet with exclusive shoes on the website.
