

East Bay Small Business Development Center Launches Office Hours at CoBiz Richmond to Support Local Entrepreneurs

RICHMOND, CA, UNITED STATES, January 26, 2023 /EINPresswire.com/ -- On Wednesday, February 1, 2023, [East Bay Small Business Development Center](#) (SBDC) will establish a satellite presence at [CoBiz Richmond](#) (CoBiz) at 1503 Macdonald Ave Suite A, Richmond, CA 94801 via in-person office hours. This venture helps Richmond and Contra Costa County (CCC) entrepreneurs scale their businesses and will meet every first Wednesday per month.

According to [Forbes](#) Magazine, the number one reason for business failure is lack of vision. "Studies have shown a full 20% of small businesses fail in their first year, 30% in their second year, and 50% by year five. A full 70% of small businesses don't make it past their tenth birthday."

The Bay Area is brimming with small business ideas that need to be planted, watered, and cultivated. East Bay SBDC, a confidential, no-cost advisory, assists entrepreneurs in creating a road map for success. It is part of a 40-year national legacy committed to small business growth and sustainability. It is available to all companies who need advising. They provide free virtual and in-person trainings and workshops designed for business development on a variety of key topics that are essential to the healthiness of their endeavors.

East Bay SBDC Director Vincent McCoy is a Richmond native and is excited to bring this expert service to his home turf. The East Bay SBDC is proud to be a part of the greater NorCal SBDC
