*It's hard not to when "Got Me Like" by Quan Aqua Faust have you feeling like a "Meal Deal".*

ROCHESTER, NY, US, January 25, 2023 /EINPresswire.com/ -- On the single, premiered on September 12 2021, the Rochester singer-songwriter layers soft vocals and melodies into an upbeat, hip hop filled tune.

Quan wrote this song as a way to switch up the mood, his fans were asking to give them something more vibrant and popping. So this track was created to maintain a smooth flow and transition between genres and moods. The artist produces all of his songs with the help of his team of producers.

"Got Me Like" is an American speaking term that pretty much means 'make me feel like,' and there have been multiple occasions where people would find themselves in a mental attraction with someone hence the term "Got Me Like".

Apart from his own artistic ventures, Quan has also been writing music for various artists and opening shows on tour for artists as well. Independently releasing music, Quan aims to land a record deal with a reputable label. The artist is currently working on his debut album, which will be a combination of about 12 songs.
