The newly created role will help refine the [eCommerce marketing company's](#) sales strategy and build relationships with clients, ensuring they receive Boxwood's signature top-tier service.

Our new hire, experienced in the tech, marketing, and insurance sectors, is an integral asset to Boxwood's team. With four years of experience as a B2B retention marketer and sales analyst, not to mention previously working as a consultant, his dynamic skill set will help elevate the agency's client relationships.

In September of this year, how-to and business news site The Manifest ranked the Colorado-based boutique agency at number 33 on its list of the Top 100 Search Marketing Agencies in Denver.
