

Highlights from the Construction Links Network platform this week - January 26, 2023

Canada's ONLY content sharing platform for the construction, building and design community

SUNDRE, ALBERTA, CANADA, January 26, 2023 /EINPresswire.com/ --

[Construction Links Network](#) is a unique news platform where members "Get More Eyes" on their digital content and increasing their SEO.

The network includes thousands of Canadian construction managers, contractors, developers, building managers, property managers, architects, designers, engineers, government officials and more.

Members use this platform to share and onboard their digital content on the Internet, through social media and our popular e-Newsletters. Ideal for product / service releases, company announcements, blogs, podcasts, webinars, case studies, videos and more.

Last Friday, the [Government of Canada announced](#) the expansion of a permanent residence pilot program for out-of-status workers in the construction industry in the Greater Toronto Area (GTA) - doubling its scope to 1,000 out-of-status construction workers. This program acknowledges the critical role that construction workers play in building and growing our cities and offers them and their families a path to permanent residency so that they can stay long-term. Eligible individuals have until January 2, 2024, to apply for permanent residence and can include their spouses, partners and dependent children in their application.

The [top video](#) is courtesy of Boston Dynamics who give us a look at the latest developments of Atlas — the world's most advanced humanoid robot, who now has a set of clamp-style hands.

content sharing - construction links network

Take time to watch Atlas attempt to help out in a construction setting.

More content shares from members include:

- Skyline Group - Ensuring Rooftop Safety During Construction
- Nesbitt Training - Your Culture is like the Wind
- T. Harris Environmental Management - Don't Give a Cold Shoulder to Indoor Air Quality (IAQ) Management
- Magic Lite - Renown Ontario Artist Utilizes Tokistar Lighting from Magic Lite in Custom Chandelier
- Procore Technologies - Breakfast Seminar: Canadian Construction Forecast 2023
- Marswell Metal Industries - MarsMetal Custom Lead Castings & Quality Assurance

We invite companies and organizations that regularly create blogs, podcasts, webinars and videos to learn how to “get more eyes” on digital content. Book a demo with publisher Arnie Gess and get a free trail.

Join your peers by subscribing to the popular Round Up e-Newsletter delivered to your in-box every Thursday morning.

About

Established in 2003, Construction Links Network is a peer-to-peer content sharing platform specifically for the construction, building and design community. Arnie Gess, publisher, and president operates his business in Sundre, Alberta, Canada overlooking the beautiful Rocky Mountains.
