

Custom Engravings Now Available For All STEELPORT Knife Sheaths to Create Treasured Heirlooms

New engraving service lets customers add personal notes to the magnetic wooden sheaths of STEELPORT's full lineup of American-forged cutlery

PORTLAND, OR, UNITED STATES, January 26, 2023 /EINPresswire.com/ -- [STEELPORT Knife Co.](https://www.steelport.com/), the renowned maker of American-forged carbon steel kitchen knives, handcrafted locally using all US-sourced materials, is thrilled to announce the launch of its new personalized sheath engraving service.

Customers can now add a special personal touch to their STEELPORT knife sheath with laser engraved messages, initials, names, dates, family mottos, and more, for themselves or as a gift to celebrate milestone occasions such as weddings, anniversaries, family reunions, work promotions, graduations, and birthdays.

"Each STEELPORT knife is handcrafted to provide both the best performance and highest quality to last a lifetime," says Ron Khormaei, CEO and Founder of STEELPORT Knife Co. "With the launch of our new Sheath Engraving service, a STEELPORT knife becomes an even more personal heirloom or gift for years of meals, memories and traditions."

STEELPORT sheaths are made from beautiful local Oregon Maple caramelized wood, custom fitted to the knife to best protect the blade edge. They are uniquely designed with an internal recessed magnet along the spine, which holds the knife securely in place and keeps the blade edge off of the wood to help it stay sharper for longer. Each STEELPORT Sheath is held to the same three pillars as all STEELPORT products: Iconic Design, Functional Details, and Handcrafted Locally.

STEELPORT's Bread Knife Sheath with a Custom Laser Engraving

A custom fitted sheath is an optional add-on for [all five](#) of STEELPORT Knife Co.'s award-winning American made knives, including the 4" Paring Knife, 6" Chef Knife, 8" Chef Knife (named "The Best Made-in-US Chef Knife" by Gear Patrol), 10" Slicing Knife, and 10" Bread Knife.

STEELPORT's new Sheath Engraving service is currently offered exclusively to customers who purchase directly through the STEELPORTknife.com website or in-person at the STEELPORT Knife Co. factory, located at 3602 NE Sandy Blvd., Portland, Oregon.

All five STEELPORT Knives have the option of a custom wooden sheath, now with the chance to custom engrave a special message.

Customers who want to engrave multiple sheaths with an image for group or corporate gifting - for example, adding a company logo or other art - can email the STEELPORT team directly to coordinate their order: hello@steelportknife.com

“

With the launch of our new Sheath Engraving service, a STEELPORT knife becomes an even more personal heirloom or gift for years of meals, memories and traditions.”
