

Diversity and Leadership Conference Announces 2023 Top 50 CEOs for Diversity

HOUSTON, TEXAS, UNITED STATES, February 8, 2023 /EINPresswire.com/ -- Diversity and Leadership Conference announces the 2023 Top 50 CEOs for Diversity. This award is a distinguished list of CEOs whose companies demonstrated exceptional scores in the area of Diversity, Equity, Inclusion and Belonging. The focus of this award is to give prominence to the accomplishments of leaders that excelled as agents of social, cultural, racial justice, and beyond.

"The 2023 Top 50 CEOs for Diversity is the testament to the abilities of leaders in the workplace," said Dennis Kennedy, Founder and Chair of Diversity First. "Each year, we are amazed and inspired by the achievements of each awardee. The 2023 class is truly a powerful force."

The Top 50 CEOs for Diversity are leaders whose businesses received the top ranks from the Fortune 500 Corporate Governance Report developed by the Diversity Research Institute. This report evaluates the executive and board demographics of the Fortune 500 companies. It assesses racial/ethnic and gender demographics of each company according to 2019 U.S. Census Data, providing each company with a score and a ranking.

The awardees will be recognized at the 19th annual Diversity and Leadership Conference on April 24 - 27, 2023, virtually. This four-day conference offers notable speakers, workshops and sessions that focus on creating an inclusive workplace to embrace Multiculturalism and Diversity.
