Flip Flops and Sandals Market

Flip flops and sandals are types of footwear that are designed to be worn in warm weather and are typically made of lightweight and breathable materials. Flip flops, also known as thongs or jandals, are a type of open-toe footwear that consist of a flat sole and a thong that goes between the toes. Sandals, on the other hand, are a type of open-toe footwear that have straps or bands that go over the foot and around the ankle or heel.
