

NextGen | GTA Partners with Large Entertainment Conglomerate

CHICAGO, IL , USA, January 27, 2023 /EINPresswire.com/ -- [NextGen | GTA](#), a Kelly Telecom Company, recently announced partnering with a large entertainment company to assist one of their television and streaming entities in identifying Information Technology direct hire talent.

Known for its capability of filling high-level skill set opportunities within the wireless communication arena, NextGen | GTA is now connecting people with information technology skill sets in the Telcom space.

Their Executive VP & Chief Talent and Technology Officer, Jonathan Langley, said, "Our team has expanded our hiring solutions and can now help fill staffing requirements within the Technology sector within the Telecom Space."

In this partnership with one of the largest entertainment conglomerates, NextGen | GTA will assist the company with identifying Technology direct hire talent for one of their television and streaming entities.

"With this partnership, we have expanded our capabilities," says Jonathan Langley, "We have gone from supporting our clients as they build highly technical teams within the Telecommunications arena to demonstrating our capability of doing the same within the Entertainment Information Technology sector."

With this move into the Entertainment sector, NextGen | GTA continues expanding its service offerings through its brands.

NextGen | GTA, one of the largest independently operated consulting firms in the United States, offers workforce and scope-based solutions for organizations in the Connectivity domain.

Through their business consulting solutions, NextGen | GTA offers staffing, Telecom scope of work-based services, and direct hire services, providing the right talent or solution for the job to

the client's needs.
