

FireOneUP LAUNCHES PINNACOLO® L'ARGILLA AT KBIS

FireOneUP is Launching its newest pizza oven the PINNACOLO® L'Argilla Thermal Clay Gas Powered Oven at the KBIS Show Booth W3671

LAS VEGAS, NEVADA, USA, January 27, 2023 /EINPresswire.com/ --

FireOneUp.com is proudly launching the new [PINNACOLO®](#) L'Argilla Thermal Clay Gas Powered Oven. The PINNACOLO® L'Argilla in many ways replicates the igloo shape of the ancient Pompeii ovens. The curvature of the dome wraps heat around your food cooking it from all sides. With 50,000 BTUs of cooking power, the CSA approved L'Argilla heats the cordierite cooking surface to over 600° F in well under 10 minutes, while the outside remains safe to the touch. The 26.5" diameter interior (3.83 sq ft) provides the space to easily handle 2+ pizzas at a time. Since the oven is gas-powered, you have far greater temperature control making it superb for roasting, baking, and searing. The L'Argilla comes complete with a custom-designed steel stand featuring oversized front wheels and locking rotational rear casters to make positioning your new PINNACOLO® oven easy. The L'Argilla includes a selection of PINNACOLO® branded pizza making accessories (a retail value of over \$500). Simply add gas.

THE NEW PINNACOLO L'ARGILLA - THERMAL CLAY
50,000 BTU GAS POWERED OVEN

FireOneUp will also be launching a full line of [pizza oven](#) accessories. This will include over 20 real-life tested products to help make your cooking experience easier, safer, faster, and far more enjoyable. The company has been working with customers/real users, to develop these accessories. The growing line will help home cooks, restaurateurs, caterers, and professional chefs achieve better results.

The PINNACOLO® line also includes their original Premio Wood Fired Oven and their popular PINNACOLO® IBRIDO Hybrid Wood/Gas Oven with 35,000 BTUs and 2 side Prep shelves. The line of PINNACOLO® ovens each comes with a selection of essential cooking accessories making it

easy to immediately begin making great food.
