

Adroit North America Introduces Aptean's Made2Manage Industrial Manufacturing Software

CHICAGO, ILLINOIS, UNITED STATES, January 27, 2023 /EINPresswire.com/ -- [Adroit](#) North America LLC., Enterprise Resource Planning (ERP), Supply Chain, and Staff Augmentation consulting firm, announces the expansion of its partnership with Aptean and the addition of Aptean's [Made2Manage](#) Industrial Manufacturing Software to its lineup of solutions.

Are you a mixed-mode or make-to-order manufacturer that needs to increase shop floor efficiency and flexibility, while responding quickly to supply chain disruptions and customer demands?

Built by manufacturers for manufacturers, Aptean's Industrial Manufacturing ERP Made2Manage Edition is the solution.

This thoughtfully designed industrial manufacturing ERP will solve specific challenges with tailored functionality that customers won't find in competing solutions. In return, there will be an increase in visibility, automated tasks, and assistance when it comes to data-driven decisions.

"We are excited to expand our tremendously successful partnership with Aptean into the Industrial Manufacturing Industry through the Made2Manage ERP solution. This expansion is a strategic move for our company as it enhances our ability to provide a bundled set of services," said Founder and CEO of Adroit North America, LLC., Richard Sides.

Adroit's team is ready to tackle today's challenges, to fuel tomorrow's growth. This streamlined end-to-end operations Manufacturing ERP will assist customers with quoting and order management, procurement management, materials management, production and engineering management, financial management, and business intelligence.

"Our experienced Made2Manage team has significant practical, manufacturing, and consulting experience. Adroit is able to leverage our unique blend of Made2Manage expertise and industry leadership to help our clients get the most from their investment," said, Dennis Gilhooley Jr., Executive Vice President of Industrial Solutions for Adroit North America LLC.
