

Stay Safe and Clean with Naturally Green Cleaning: Eco-Friendly Cleaning Company Offers COVID-19 Sanitization Services

Eco-friendly cleaning company, Naturally Green, located in Manhattan Beach, California, is proud to offer COVID-19 cleaning services.

MANHATTAN BEACH, CALIFORNIA, USA, February 7, 2023 /EINPresswire.com/ -- [Naturally Green Cleaning](https://www.naturallygreencleaning.com), an eco-friendly cleaning company based in Manhattan Beach, is proud to announce that they offer COVID-19 cleaning services to their already extensive list of cleaning offerings. With the ongoing pandemic, the company understands the importance of maintaining a clean and safe environment for its clients and is committed to providing the highest level of cleaning and disinfection services to help prevent the spread of the virus.

"We know that this is a difficult time for everyone, and we want to do our part in keeping our community safe," said Bryan Angstman, the owner of Naturally Green Cleaning. "That's why we're proud to offer COVID-19 cleaning services that are designed to keep homes and offices safe from harmful germs and bacteria."

Naturally Green Cleaning

Naturally Green Covid Cleaning

The company's COVID-19 cleaning services include the use of eco-friendly disinfectants that are

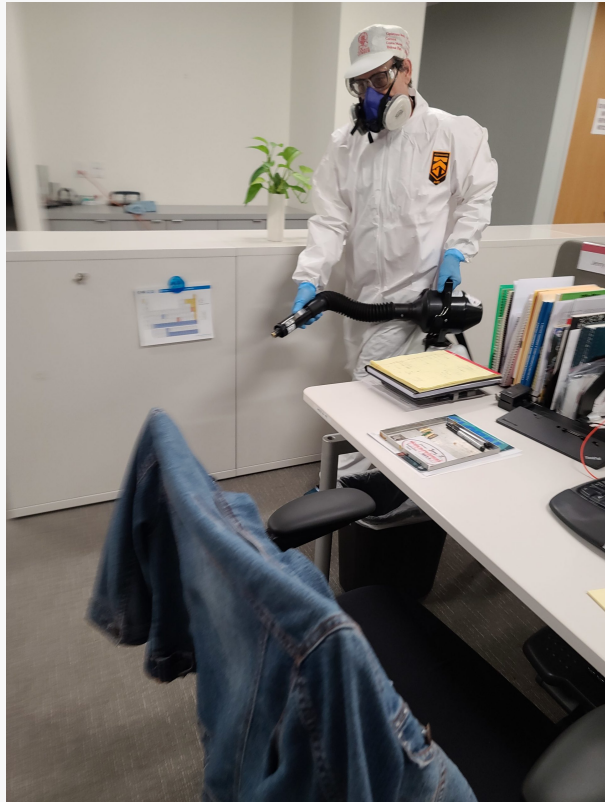

safe for use around people and pets and are effective against a wide range of germs and bacteria, including the coronavirus. The company also implements enhanced cleaning protocols to ensure that all high-touch surfaces are thoroughly sanitized.

In addition to its COVID-19 cleaning services, Naturally Green Cleaning is known for its commitment to using only the most natural and non-toxic cleaning products. Traditional cleaning methods often rely on harsh chemicals that can be harmful to both human health and the environment. Naturally Green Cleaning believes in using only the safest, most natural products that are kind to both the health and the planet.

“We understand that cleaning your home or office can be a daunting task, especially during these trying times,” said Angstman. “That’s why we’re here to help make your life a little bit easier. Our team of highly trained professionals is ready to tackle any cleaning challenge, big or small. Whether it’s a one-time deep clean or a regular scheduled cleaning service, we’ve got you covered.”

In addition to their commitment to using eco-friendly products, Naturally Green Cleaning also takes great care to ensure that their cleaning methods are as energy-efficient as possible, using only energy-star rated equipment and minimizing water usage wherever they can. The company also recycles as much waste as possible and uses only biodegradable cleaning products.

“At Naturally Green Cleaning, we understand that it’s not just about keeping your home or office clean, it’s about keeping it safe and eco-friendly,” said Angstman. “We’re confident that you’ll be impressed with the level of service and care that we provide. With Naturally Green Cleaning, you
