

3rd International Conference on Otorhinolaryngology

Theme: "Discovering New Scientific Aspects and Novel Technologies in Otorhinolaryngology"

DUBAI, UAE, January 30, 2023
/EINPresswire.com/ -- Save your dates for the most awaited event of [Otorhinolaryngology](#) 2023 (ICOTO 2023)

With the illustrious collaboration of "International Society of [Audiology](#)" and "British Association of Head & Neck Oncologists" and with a great response and feedback which we have acknowledged from the participants of Otorhinolaryngology 2022, we are happy to announce our upcoming conference - "3rd International Conference on Otorhinolaryngology", scheduled from November 27-28, 2023 to take place in Dubai, UAE. This meeting will explore recent researches and advances in the Otorhinolaryngology - ENT.

Scientex Conferences pleased to invite you to the hybrid event with the theme of "Discovering New Scientific Aspects and Novel Technologies in Otorhinolaryngology".

We once again took the privilege of felicitating and gratitude of Otorhinolaryngology 2022 Organizing Committee, Keynote Speakers, Plenary Speakers, Chairs and Co-Chairs, Young Researchers, Moderators and other attendees wonderful participation towards the event which helped us for effective accomplishment of this otorhinolaryngology event.

The banner features two panels. The top panel shows a close-up of a person's face being examined with an otoscope. The bottom panel shows a surgical procedure on the ear. Text on the right of each panel provides event details.
