

# Paul N. Gardner Company Launches New Customer-Focused Website

*Easy to Search, Order, and Chat for Physical Test and Inspection Equipment*

COLUMBIA, MARYLAND, UNITED STATES, January 31, 2023

/EINPresswire.com/ -- Paul N. Gardner Company – Paul N. Gardner Company (Gardco) has launched a new customer-focused website that provides an easy way to search for products, place orders, chat, and learn about their comprehensive range of testing and inspection solutions in 15 languages.

Worldwide partner of the paint, coatings, plastics, chemicals, powders, paper, packaging, and food industries, the new Gardco website elevates the overall customer experience. Offering multiple brands of popular items to provide a comprehensive offering.

New functionalities include:

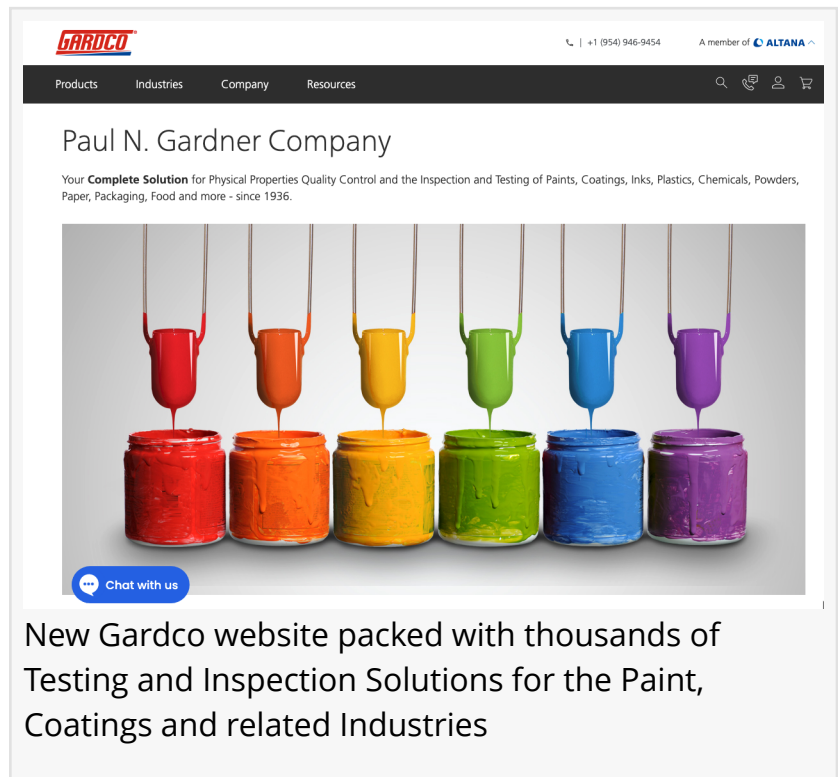

Our improved website is now easier to navigate and is a comprehensive resource for customers and those looking for physical testing equipment.”

*John Kowalski, Head of Marketing*

- E-Commerce solution for our entire line of products
- Online chat connects you with live experts
- Customers can create account logins and access their purchase history
- Improved site search includes images, old part numbers and more
- Mobile and tablet friendly
- Available in 15 languages
- Worldwide customers can easily find dealers in their area

- Our updated Knowledge Library contains whitepapers, articles, and FAQs on products and

applications

“Our improved website is now easier to navigate and is a comprehensive resource for customers and those looking for physical testing equipment,” states John Kowalski, Head of Marketing. “Over the course of this year we have an aggressive plan to populate it with even more product content, videos, articles and more to solidify Gardco as the go-to industry resource.”

The new website provides an efficient way to search for [paint testing](#) and other physical test products, place orders and learn about Gardco's comprehensive range of testing and inspection solutions. With over 75 years of experience in the industry, Gardco provides precision quality control, ensuring products meet or exceed the highest standards. The new website makes it easier than ever for customers to find the right solution for their needs. Visit [gardco.com](http://gardco.com) today to learn more!
