"Our initiatives with over 200 carbon offset projects require over \$520 million in short term project funding: therefore, we need to offer all alternative investors access to product that fits their investment thesis" said Tom Harblin Partner in the Entrex Carbon Market.

"By adding the Sharia investment products to our platform, we expand the tradable product which our relationship

with THETA Trading shall provide to its institutional clients" said W. Taylor Poole, who leads the St. Petersburg, Florida team.

"Entrex offers a regulatory compliant market to find, research, track, manage and trade securitized [carbon offsets](#)" continued Poole. "And now we can offer institutional investors access to carbon offset project financings for global invests in an investment structure which meets

their compliance needs”.
