SEATTLE, WASHINGTON, USA, January 30, 2023 /EINPresswire.com/ -- The [Slumber Ease Mattress Factory](#) team will be at the [Seattle Boat Show](#) on February 3-11 and the [Seattle RV Show](#) on February 16-19. Attendees can talk with Slumber Ease representatives about custom boat mattresses, camper cushion replacements, custom RV bed mattresses, and more.

Many people struggle to get good sleep, especially on RV and boat mattresses which may not be comfortable. The Slumber Ease

Mattress Factory aims to help customers get better sleep by producing custom mattresses for a variety of settings, including boats, motorhomes, and trailers.

Slumber Ease recommends that attendees who are interested in custom RV or marine mattresses bring along pictures of their V-berth or RV sleeping area. The team will show attendees how to measure their bed frames so they can get mattresses that fit perfectly in their spaces.

Both the Seattle Boat Show and Seattle Marine Show will be held at Lumen Field Event Center, with additional Seattle Marine Show events at Bell Harbor Marina.
