

Dorian Drake Granted Export Distribution Rights to Dynatex Automotive Specialty Chemicals, division of Soudal

Dynatex has granted Dorian Drake International export distribution rights for its Dynatex brand targeted to professional technicians and do it yourselves.

WHITE PLAINS, NEW YORK, UNITED STATES, February 1, 2023

/EINPresswire.com/ -- [Dynatex](#), an industry-leading manufacturer of Silicone Gasket Makers, Sealants & Adhesives, Threadlockers and other specialty chemicals for automotive applications and part of the international [Soudal](#) group, has granted [Dorian Drake International](#) Inc. export distribution rights for its Dynatex brand of products targeted to professional technicians and do it yourselves.

Dorian Drake will act as a sales and marketing arm for Dynatex products in its sales territories, with special focus on building brand recognition and distribution in select Latin American countries.

"Creating synergy with the right partners is important to our international growth strategy moving forward. Dorian Drake's regionally based field sales force and multicultural customer service will serve as an extension of our organization to find and service the right customers in important parts of Latin America," said Louis-Alfons Nobels, Dynatex's Head of International. "Their global market reach and local market presence is a positive development for our customers and we're very excited in formalizing our partnership with Dorian Drake."

Commenting on the new arrangement, Knut Sauer, Dorian Drake's Automotive Group Manager said, "With the addition of Dynatex, we are further expanding our automotive chemicals and retails products portfolio, enabling us to offer a one-stop shop for our extensive network of distributors. We are very excited about this product addition, as there is a large market potential for high quality US made sealants and adhesives internationally."
