

The Global Women Supply Chain Leaders Summit & Awards is back in its 3rd edition

The Global Women Supply Chain Leaders is here again. It is a celebration of women and achievement, honoring supply chain's most accomplished female executives.

SINGAPORE, January 31, 2023 /EINPresswire.com/ -- B2G Consulting is proud to announce the third edition of the [Global Women Supply Chain Leaders Summit & Awards](#), a two-day event that will shine the spotlight on the talented women making an impact in the supply chain industry. The virtual event will take place on the 8th and 9th of March.

The Global Women Supply Chain Leaders Summit & Awards will provide a platform for attendees to hear from inspiring speakers, participate in interactive panel discussions, and network with other leaders in the field. With a focus on empowering women in the workplace, the event will explore the challenges faced by women in the industry, showcase their contributions, and offer valuable insights into how to drive change and progress.

"The Global Women Supply Chain Leaders Summit & Awards is an important event that celebrates the achievements of women in the supply chain industry," said Oumayma, Business Development Manager at B2G Consulting. "The third edition of the summit will build on the success of previous years, and provide even more opportunities for attendees to learn, network, and be inspired by the success stories of industry leaders."

The Global Women Supply Chain Leaders Summit & Awards is open to all professionals in the supply chain industry, as well as anyone interested in the advancement of women in the workplace. Register now to secure your spot at <https://gwsc2023.com/>.

The banner features a dark red background with a white and pink color scheme. In the top left corner, it reads 'GWSC2023 by B2G'. The main text in the center is '08-09 MAR 2023 Global Women Supply Chain Leaders 3rd Edition'. On the right side, a vertical black bar contains the text 'FREE UNTIL 28 FEB'. At the bottom, a pink button says 'Secure your seat'.
