Culturally Competent YouTube program brings African American characters to the forefront of children's programming

LOS ANGELES, CA, USA, January 31, 2023 /EINPresswire.com/ -- On the heels of being nominated for Outstanding Animated Series at the 54th Annual [NAACP](#) Image Awards, the viral independently produced and distributed YouTube animated children's program Gracie's Corner TV has been nominated for Favorite Female Creator at the 2023 Nickelodeon Kids' Choice Awards,

Created during the height of the pandemic when then 7-year-old Graceyn (now 10) and her siblings had difficulty finding diverse content to watch on television or online during homeschooling. Gracie's parents, Javoris Hollingsworth, Ph.D., a Chemistry Professor & Arlene Gordon-Hollingsworth, Ph.D., a licensed Clinical Psychologist, decided to take matters into their own hands and create what was missing, and Gracie's Corner TV was born.

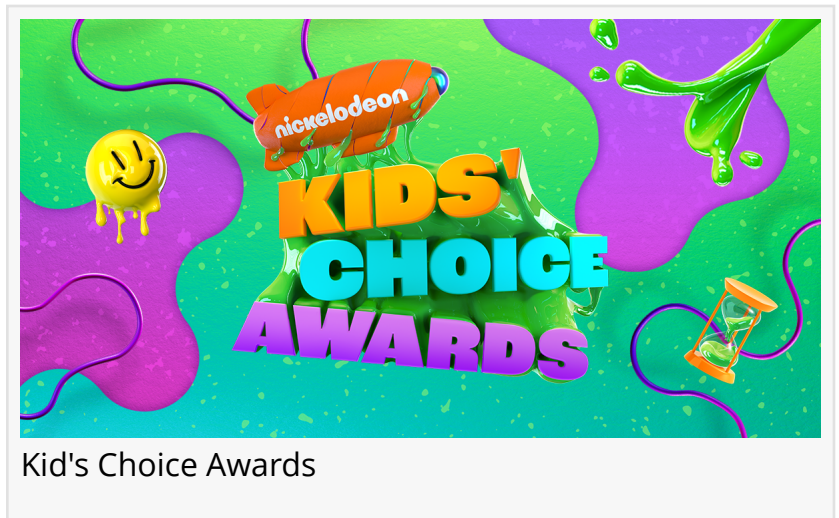

“

We are completely blown away and speechless about being nominated for a Kid's Choice Award. It means so much to our family to be recognized by so many in this beautiful community.”

*Javoris "Jay" Hollingsworth,
