It could be an Accident that changes one's Life overnight, and leads to sudden and unexpected Medical Bills.

As a person ages ... it is just simple common-sense and prudence to plan for Out of Pocket Medical Expenses that Medicare does not cover.

Despite Medicare's ability to help with some of the expenditures associated with aging, there are still many expenses that Medicare does not cover.

Fact : The typical retiree may easily spend six figures annually on their Healthcare and Drugs.

In 2023 ... alot of Health Care occurs in the Home.

But Home Care, Chronic Care, and [Long Term Care](#) Facilities are not covered by Medicare.

Everybody already knows this because of real-life stories from Friends and Family.

That's American Medicine today : Plan for Out of Pocket Medical Expenses not covered by your Health Insurance or Medicare.
