

Dope Notes - Life Organizer Launches New Scorepad Feature On Its Dope Note Taking App

Fight the Overwhelm. Journal, Set Goals, Shop, Keep Score and Get Stuff Done With Dope Notes, the Productivity App to Keep Life Dope

KAILUA, HAWAII, UNITED STATES, February 2, 2023 /EINPresswire.com/ -- [Dope Notes](#), the all-in-one app for note-taking, daily journaling, habit tracking, shopping lists, and meal planning, today announced the addition of its latest feature, the Scorepad. The Scorepad is designed to allow users to keep track of scores for their favorite games and activities, making it easier to stay organized and keep score.

The new Scorepad is easy to use and allows users to set their scores as high or low, then compile a list of leaders. The Scorepad is perfect for families, friends, and even businesses who want to keep track of scores for team-building activities, competitions, and more.

“

We have always been focused on making it easy for people to keep track of their daily activities and with the Scorepad, we are taking it to the next level.”

Tim Holmgren

“We are thrilled to announce the addition of the Scorepad to Dope Notes,” said Tim Holmgren, CEO of Dope Notes. “We have always been focused on making it easy for people to keep track of their daily activities and with the Scorepad, we are taking it to the next level. Whether it’s a

friendly game of chess or a competitive tournament, the Scorepad makes it simple to keep track of scores and see who’s winning.”

The Scorepad is available now for all Dope Notes users, both free and premium, and can be accessed through the app’s main menu.

Dope Notes works on all devices, has instant data synchronization, and is completely banner ad-free. The app will not sell user data, and there will be no tiers or upselling after customers purchase a subscription. There is free support and continuous development, so this app will continue to evolve to meet the needs of its users.

How to Stay Organized and Motivated with the Dope Notes Productivity App

Dope Notes features include:

Shareable shopping lists and recipes, organized by product type, which can be synced with other users for seamless household planning.

A daily habit tracker to help users reach targets and build good habits. Set personalized reminders – for exercise regimes, quitting smoking, or meditation, for example – and check them off daily.

A private journal for each login, where users are encouraged to take the time to reflect on and record their activities. The feature includes opportunities to upload daily images and create a private picture journal in a calendar view.

A daily planner and to-do lists, with checkboxes and notes for completed tasks.

Plain notes. Jot down thoughts, ideas, memos, and more on the go.

Integrated meal planner. Add ideas, ingredient lists, and recipe URLs to a shareable recipe book and view a weekly calendar of daily meals.

Shared groups. Invite friends and family to share shopping lists or meal plans while keeping personal to-do lists, habits, and journals private.

Scorepad: Roll the dice, shuffle the deck, and get ready to keep score like a champion with our all-in-one Scorepad! Whether you're a fan of classic board games, fast-paced card games, or the thrill of a good roll, our score tracker has got you covered.

About Dope Notes:

Dope Notes is an all-in-one app designed to simplify the lives of users by providing a convenient and easy-to-use platform for note-taking, daily journaling, habit tracking, shopping lists, and meal planning. The app is available for free on both iOS and Android platforms. Subscription start at \$0.99 per month for support, unlimited storage and data transfer. Visit
