

Walmart.com Seller Tools Are Becoming More Sophisticated with Newly Launched Product

This new product is designed to streamline the selling process, provide more accurate product information, and increase the overall efficiency of the platform.

LOS ANGELES, CALIFORNIA, USA, February 1, 2023 /EINPresswire.com/ -- WallySmarter is an all-new, revolutionary sales-based platform which provides sellers with refreshing, innovative technology, curated to sufficiently optimise sales strategies and ultimately expand businesses.

WallySmarter was launched in response to Walmart's active search for third-party sellers, saving people from using Amazon seller tools which have no relevance to Walmart whatsoever. Since launching, WallySmarter has become the No.1 Walmart Software for independent retailers, all thanks to the sophisticated, cutting-edge features.

WallySmarter have conscientiously designed WallySmarter to provide users with fuss-free, easy-to-use online products. WallySmarter tools are all located within the same place so that every business owner who wants to [sell on walmart](#) can comfortably navigate through the platform, keeping things organised and eliminating any

How many people search "air fryer" in Walmart.com today?

Walmart Sellers are thriving with the power of advanced technology

HOLDS A 6.3%
SHARE OF THE
MARKET IN THE
UNITED STATES.**

The second largest online retailer in the country

potential confusion.

In relation to this topic, founder Lewis Civin shared:

“Helping hardworking business owners succeed is incredibly important to me. I understand that not everyone has the technological skills required to analyze valuable digital data, which is why I designed WallySmarter to be accessible and straightforward, so that users can take full advantage of vital insights and seamlessly enhance their prosperity”.

To ensure all retailers have complete accessibility and adequate insights, WallySmarter have impressively collated the database with up to 12 million Walmart keywords, and over 110 million Walmart products, which are frequently updated to maintain accuracy.

In the United States, Walmart holds 6.3% of the e-commerce market share, positioning it as the second largest online retailer in the country.”

Lewis Civin, Founder of WallySmarter.com

One of the main tools that comes with WallySmarter is the Walmart Chrome Extension, which allows access valuable internal data, such as sales estimates, and analysing search results through the exclusive 150+ million product ID database which offers regularly updated trends and estimates, so that it can easily validate the success of the products.

[Online arbitrage](#) is a retail strategy that involves purchasing products at a low price from one online platform and reselling them for a higher price on another online platform. It's a popular method for individuals looking to start an online business or generate additional income. Luckily, WallySmarter has the most dependable Amazon - Walmart Online Arbitrage tool. It is one of the best-rated tools in the platform because of its accuracy and amazing data analytics.

In keeping with the accessibility promise, WallySmarter offers customers a 7-day commitment-free trial, which does not require any credit card details in order to sign up. WallySmarter additionally provides several budget-friendly payment plans, and an attractive price tag in order to help keep expenses to a minimum.

The plans start at just \$20 a month, and they promise a 30 day money-back guarantee for users who decide they no longer require the services. Subscribers may additionally cancel subscription at any time of their choosing.

About Us:

In 2022, Carbon6 launched WallySmarter in order to provide third-party sellers with insightful, accurate, real-time product and keyword research. WallySmarter is the first of its kind, ensuring straightforward strategic enhancements that are equipped with all the essential tools required to elevate businesses and rapidly expand market share.

The sophisticated, yet uncomplicated hub of tools has been thoughtfully created to offer retailers solutions which are exceptionally cost-effective and efficient, such as a trustworthy API, which allows instant access to accurate sales estimates for Walmart Sellers.

For third-party sellers seeking state-of-the-art sales tools and exquisite [Walmart Tracker](#), WallySmarter invites business owners to explore all of the bespoke products. Additionally, WallySmarter has a Free Trial option. (P.S. no credit card is necessary!).
