

# International Telecoms Week returns to National Harbor, MD on 14-17 May

*ITW - the world's largest gathering of global executives from across the telecoms sector, returns on 14-17 May in National Harbor, MD.*

LONDON, UNITED KINGDOM, February 1, 2023 /EINPresswire.com/ -- The [International Telecoms Week \(ITW\)](#) conference is set to take place on May 14-17, 2023 at the Gaylord National Resort & Convention Center in [National Harbor](#), MD. The conference is the world's largest meeting of wholesale telecommunications professionals and draws in attendees from over 140 countries.

ITW is the premier networking event in the telecommunications industry and provides a platform for attendees to make valuable connections and drive business growth. The conference will feature keynote speeches, panel discussions, and various networking events and opportunities, including Swapcard – the networking platform that allows attendees to connect and schedule meetings with each other before, during and after the conference.

"We are excited to host ITW 2023 in National Harbor and bring together the global wholesale telecommunications community," said Liss Boot-Handford,
