“Having proper fitting, clean, and comfortable shoes lay the foundation for success in and out of the classroom. I am proud to be partnering with Shoes That Fit and The Tropicana Coalition to provide a pair of shoes and socks to every student at Jydstrup Elementary School.”

Commissioner Michael Naft

The Shoes That Fit mission is simple; every child deserves to attend school with dignity and joy, prepared to learn, play, and thrive. For kids, a new pair of shoes helps to improve their self-esteem and participation at school by eliminating one of poverty’s most visible and debilitating marks.

“Shoes are intrinsically important to kids. Too many low-income families are forced to choose rent and food over shoes, leaving children wearing shoes that hurt, embarrass them, cause them to miss out on physical activities and sometimes miss school altogether. New shoes make a basic and lasting impact! We are so grateful to CLARK COUNTRY and Commissioner Naft for meeting a basic need and making a lasting impact on the lives of these kids- CEO and Executive Director, Shoes That Fit, Amy Fass
